Head Teacher: Tracy Millard

Description:

We are looking for a dynamic and innovative specialist music teacher who see this as an opportunity to further develop our music curriculum in our special needs setting. The role also includes opportunities to use music as a therapy approach. This is initially a fixed term contract which will be reviewed. Candidates must have an understanding of the developmental learning needs of children. Experience of working in a special school is not essential.

This is an excellent opportunity for a colleague to extend their continuous professional development working across school. If you have a passion for teaching to improve the life chances for children, this is an opportunity for you.

St. Hugh's School is a well-resourced, purpose built school for students aged 11 to 19 years with moderate/severe learning difficulties/profound and multiple learning needs, many of whom have additional needs, ASD and complex medical needs. We are an outstanding school as inspected by Ofsted September 2018. Much of our curriculum and pedagogy is of a primary nature.

For informal discussions, please phone Tracy Millard, Head Teacher on 01724 842960 or email tracy.millard@northlincs.gov.uk. Visits to school before shortlisting are welcome.

Any offer of employment to this post will be subject to receipt of a satisfactory Enhanced Disclosure from the Disclosure and Barring Service. The full version of our Recruitment of ex-offenders and Disclosure and Barring Service procedure can be accessed from the website at www.northlincs.gov.uk/jobsandcareers

Please note that references will be sought prior to interview and shortlisted candidates will be visited in their current school to observe them teaching.
