**Head Teacher: Tracy Millard**

<u>Name and Governor Type</u>	Ralph Parish
<u>Background</u>	<p>12 years working within the care sector and I am as passionate as ever about good care and good service. Providing the right supportive environment for adults with autism spectrum disorder and learning disabilities is where I have specialised for the past 10 years.</p> <p>My work has been instrumental in creating one of the UK's leading centres for Adult Autistic Spectrum Disorder. My own research and professional goals have been to focus on creating an environment that can achieve a fulfilled and happy life for our service users.</p> <p>As an experienced hands-on residential support worker, and experienced registered care home manager, I am fully aware of the challenges faced to provide good care. Here at Goldcrest House I believe we provide the right formula of Residential, Respite and Day Services to help our service users achieve the life they want.</p>
<u>Interests</u>	I like to play golf and am a member of a local course. I like to play competitive poker when I get the opportunity and I like hiking and country walking. I am also an avid reader.
<u>What is your reason for coming to St Hugh's as a governor?</u>	I enjoy working and supporting people who are on the Autistic Spectrum. I have gained a lot of experience from working in a similar environment to St Hugh's and feel I could use some of the skills I have attained to the schools advantage.
<u>Please detail the sub-committees you are on</u>
