Head Teacher: Tracy Millard

<u>Name and Governor Type</u>	Elizabeth Kearsley, Community Governor
<u>Background</u>	For 36 years I was employed within the LA as a social worker, predominately within the area of children's services. For over 4 years I was employed as a specialist social worker in the Adult Learning Disability Team and prior to this I had the same role with children with disabilities. My main interest has been working in the area of disability, safeguarding and looked after children. I retired from local authority social work in June 2013 and currently I am working independently assessing prospective foster carers
<u>Interests</u>	Apart from taking many enjoyable walks with my dogs I particularly enjoy gardening, going to the theatre, reading and spending time with my family and friends.
<u>Reason for becoming a governor at St Hugh's</u>	Whilst in my role of specialist social worker for children with disabilities I visited the special schools and the child development centre on a weekly basis. In 2002 I was invited to be a governor at St Hugh's School. Since that time I have continued to be a governor and currently hold the position of chair of governors. I have been proud to be involved with the school and watched it evolve and progress to its current outstanding status. The most enjoyable part of being a governor is spending time with the students in class and at varying events.
<u>Committees</u>	School Resource Committee Curriculum Policy and Standards
