Head Teacher: Tracy Millard

24th February 2020

Dear Parents/Carers

Your child is to transition into year 11 in September 2020. Decisions about where they will transition to post 16 will need to be made during the autumn term of year 11. Don't worry - there will be lots of opportunities to visit local providers, discuss needs at their EHCP review meeting and attend different transition events.

To start this process, on **Tuesday 17th March**, St Hugh's will be hosting a transition information event for local post 16 providers. You will be able to gain information about courses and provision and have plenty of opportunity to chat to representatives from the local colleges to discuss what they can offer your child and answer any questions that you may have. In attendance will be:

- St Hugh's School Post 16
- North Lindsey College
- Bishop Burton College
- PIP Forum
- John Leggott College
- The Ridge Employability College
- SEND team

Students will visit the event during the afternoon with their teams. The event will then be open to parents **between 4pm and 5pm**. If you are planning to visit around 4pm, then we can keep your child at school until you arrive. Please indicate your intention to attend on the slip below. This event will be repeated at the end of September. Do not hesitate to contact me if you have any questions about this event

Yours sincerely

D Millward (KS4 lead/assistant head teacher)

I/we will be attending the post 16 information event

I would like my child to remain at school until 4pm
