Head Teacher: Tracy Millard

29th June 2020

Dear Parents/Carers

We are aware that we have been largely reliant on our email / electronic systems to communicate and provide work for our students based at home during the pandemic.

We would like to know if any families have found this to be difficult due to internet connectivity within the home. If you do not have access to a fixed broadband connection (i.e. router) or need help with connectivity can you please contact school on 01724 842960 or email admin.sthughs@northlincs.gov.uk by Monday 6th July 2020.

Yours sincerely

Tracy Millard
Head teacher
