Dear Parents/Carers

We would like to inform you of details ready for next term. The class that your child is going to be in is:

..... and their class teacher will be .....

The information about new class teachers has ben shared with students today to support 'in house' transition, give opportunities for students and staff to familiarise themselves with each other and to fully meet their educational and personal care needs. If it is identified during the transition process that your child may need to change class, then school will communicate with home accordingly.

As usual, the new timetable and class groups will change as from Monday 15<sup>th</sup> July 2019. This will allow students and all staff to experience their new timetable which will commence at the start of the academic year.

If you have any further questions regarding organisation for September please do not hesitate to contact school.

Regards

*T. J. Millard*
