Head Teacher: Tracy Millard

5th October 2020

Dear Parents/Carers

I hope this letter finds you well, as communicated in previous letters I write to update you that we are now finding ourselves in a situation where we have to partially close certain classes. This is down to other schools understandably having to initiate isolating procedures which is impacting on our staff availability.

If your child is directly affected by the partial closures of any classes you will receive correspondence directly. This will be either in an email and or a letter sent home. Please can you ensure that you check your emails regularly as individual situations can change quite quickly. Thank you for your understanding in these situations.

Please can I ask parents and carers to consider the transport Guidance which advises that students, 11 years or older, may, wear a face covering on the dedicated form of transport. Can we ask that parents that want their child to wear a face covering please supply these for their child. We also ask that they are placed in a small plastic bag and stored in their school bag before leaving the bus and entering the school building. They can then wear a face covering again on their journey home. Please ensure if you are using disposable face coverings, that they are replaced after each journey.

Please can I ask that parents consider implementing this action.

Please send any communication to admin.sthughs@northlincs.gov.uk if there is anything you would like to discuss further.

Thank you as always for your ongoing support.

Kind Regards

Tracy Millard
