Dear Parents & Carers

Please find attached our year 9, key stage 4 Applied Learning Options information booklet and options choice return slip. Please can all options choice return slips be sent into school no later than 20.5.19.

If you would like to discuss the options process and subject choices in further detail or would like more information, please do not hesitate to contact me. I will also be available to discuss each option choice at parent's evening on 30.4.19.

Students in key stage four will be visiting year 9 teams to give first-hand information to help your child to make their decision. We can also offer you the opportunity to visit the provision at North Lindsey College and the Skills Centre. I will be available at North Lindsey College at 10am on 17.5.19 (meet at reception) to show you the exciting work that the current students are doing as part of their options work. Please indicate below, if you would like to attend. As the Skills Centre offers a variety of the option choices at different sites, please indicate below which of these you would like to visit and I will arrange this with them directly and contact you with the details

Regards

Donna Millward  
Assistant Head Teacher/KS4 Lead
