29<sup>th</sup> April 2019

Dear Parent/Carer,

North Lincolnshire Museum is running a Youth Culture project looking into the history of growing up in Scunthorpe from the 1950s to the present day. They are eager for the young people of Scunthorpe to get involved in every aspect from research, to working with artists, to exhibition design. Students in Year 7 and 8 are studying the history of Scunthorpe as part of their Humanities work this term and so this event would be a fantastic opportunity for them to develop their knowledge further.

They have organised a drop-in event at the museum on Wednesday 1<sup>st</sup> May from 4.30 to 6.30pm where there will be a chance to find out about the different workshops and projects they are running and sign up to take part. There will also be information about their Young Curators group, a music workshop and memory collecting projects. There will also be activities that will contribute to their research and help create content for the exhibition.

I hope you are able to take the opportunity to join in with this exciting event!

Yours Sincerely

Mrs Nina Taylor  
Humanities Subject Leader
