Head Teacher: Tracy Millard

26th March 2020

Dear Parent and Carers,

Thank you for your ongoing support during this critical time. As we have communicated to you, your child has been allocated a place at school. This has been based on the use of the criteria the Government have given us to formulate a decision whether your child should be in school or not.

To help to minimise the spread of germs, we will not be using home school journals or reading diaries for the foreseeable future. Therefore, it is please requested that these remain at home until further notice. To communicate with the school during this period, parents are requested to use the central admin e mail to send communication to the class for their child. We will use email or telephone communications in order to respond to any communication received. We will keep you updated on your child, as well as with other school matters in this way.

We have organised school staff into teams which rotate once a week over a three week period. Therefore you may receive communication from a member of staff who is new to you.

I am aware this is a difficult time for us all. If you have concerns or any further questions please do not hesitate in contacting school, by telephone 01724 842960 or sending an email to admin.sthughs@northlincs.gov.uk.

Yours Sincerely

T.J. Millard
