Dear Parent/Carer

As English Subject Leader I am keen to gather your views on your experiences of English at St. Hugh's. To do this, I'd really appreciate you completing the attached questionnaire and returning it to school as soon as possible. For a returned questionnaire, your child will receive a double merit in school.

I'd like to find out how much your child engages with reading, writing and spelling at home and whether there is anything else we can do to support you in helping your child with their English work at home. I have also completed a similar questionnaire with students to gain an overall picture of how English is experienced within school.

If you have any questions or queries regarding the questionnaire, or any of the information within it, please do not hesitate to contact me at school.

Thank you for your continued support

Donna Millward
