To date, over 70% of our students have been signed up to participate in rapid lateral flow home testing. Every extra student that participates will make our school community that little bit safer.

Following government guidance, students should continue to limit the amount of equipment they bring into school each day, including essentials such as: lunch boxes, medication, hats and coats, and mobile phones. School bags are also allowed.

If you have any questions or concerns please do not hesitate in contacting us on admin.sthughs@northlincs.gov.uk
