Dear Parents/Carers

I hope your child is enjoying their transition mornings into St Hugh's.

From Monday 16th July they will be transferring to St Hugh's in order for them to get an insight into their new timetables for September. As they are in school full time they will be having their lunch in school. Any student which pays for a school meal will need to pay £2.40 per day, which can be paid either daily or for the full week. Your child is welcome to bring a packed lunch and if you receive free school meals this will be transferred.

The St Hugh's School uniform is available to purchase from Shah's on West Street in Scunthorpe. They have asked if you would like to purchase any items please visit them prior to 22nd July 2018 to ensure they have items in stock for September.

If you have any questions, please contact the school and we look forward to welcoming your child next week.

Kind regards

Jonathan Kenyon
