Journal Competition and journal feedback

Dear Parents, Carers and Students,

As you may already know, each year we hold a competition inviting students to design a picture for the front cover of our home-school journals. The time has come again for students to show off their creative flair and design a simple image.

To enter the competition, you need to draw an image in the box on the next page that shows what St Hugh's means to you. Here are some tips – you will have a better chance of winning if you stick to these rules:

- Don't stick or collage anything onto the page – use only pencils and pens.
- Use block colours rather than lots of detailed patterns.
- Draw only 1 picture, not a collection of pictures.
- Keep the picture simple.
- Make sure your picture is clear and fills the box.

We look forward to seeing your designs – please make sure they are returned to school by Monday 25th February.

We are also in the process of finalising the 2019/20 journal and are inviting suggestions of alterations and improvements. If you do have any, then please return the attached form with your feedback.

Kind regards,

Jonathan Kenyon
