Head Teacher: Tracy Millard

Dear Parents/Carers

Here is your child's PAP (Personal Achievement Plan) for this term. The outcomes on the PAP have been carefully selected as part of their personalised programme and are a very important part of your child's development. The outcomes on the PAP are taken directly from your child's Education, Health and Care plan. The outcomes have been reviewed in school on a termly basis. In future, the PAPs will be sent out to you termly. They will then be reviewed annually at your child's Education Health and care plan review meeting.

Please look at the strategies that explain how you can help your child to make progress in each area. Please do contact us if you want to discuss any points or if your child has made any steps towards meeting their outcomes outside of school.

Please note that for this term, the curriculum progress sheet has not been included; this is due to the current pandemic and partial school closure. Information about your child's academic progress, behaviour and attitude to learning will be shared with you at the end of the Summer term.

Please return the slip below to indicate your choice.

With thanks for your support.

*T. J. Millard*
