Dear Parents/Carers

Science Belton Country Park Visit on 16th March 2020

Years 7 and 8 have been invited to take part in a visit to Belton Country Park to widen their learning about living organisms, habitats and ecosystems. The Isle of Axholme & Hatfield Chase Landscape Partnership are able to offer the trip to our pupils completely free of charge. Pupils will be able to discover Belton Country Park and take part in various activities looking at the different wildlife and habitats in the area.

The trip will take place on the morning of Monday 16th March. They will be travelling to Belton Country Park on a coach and will leave school at approximately 9:30am. Pupils will be back in school for 12:00pm ready for their normal lunch routine at school. As we will be outside, please ensure your child brings a coat in case of poor weather and wears a comfortable pair of shoes.

Please do not hesitate to contact me should you require any further information.

Kind regards

Mrs S Duckworth-Mills
Science Lead Teacher

Please return to team staff

I give permission for my child to attend the Belton Country Park trip on Monday 16th March 2020.
