# Welcome new/old members

FOSH After School Club is a fully inclusive club open to all students at St. Hugh's.

Club sessions are held in school on Thursdays 3:40-5:00 (term time only). Our programme of planned activities place emphasis on safe and fair, fun activities, that aim to be creative, stimulating and varied within a relaxed friendly atmosphere – familiar to our students. Each club member is encouraged to make choices in their activities, in order to promote self-confidence, independence and self-esteem. We have access to all school facilities – sensory rooms, soft play, hydro pool and the outdoors areas. If the weather is appropriate club members are encouraged to be outside for team games, playground activities or to use the bikes, which cater for all abilities.

Each session costs £4.50, all fees are receipted. **Important-payment must be received on the Monday or Tuesday of the week you want to attend, with no exceptions.**

Club members are offered a drink and snack during the session.

A completed registration form is required for each student attending the club. This form can also be used to inform us of any food allergies or dislikes. For those students that require medication (including for emergency) a “permission to administer meds” form **must** be completed, or we will be unable to give them.

We follow school rules with regard to behaviour to ensure consistency for students at the club.

After School Club is funded by the registered charity Friends of St. Hugh's. All staff are fully trained and are paid and employed by F.O.S.H

If your child would like to join or continue attending After School Club, please complete the slip below. Please collect students promptly at the end of each session.

**ALL STUDENTS MUST COMPLETE A REGISTRATION FORM & PERMISSION TO ADMINISTER MEDS FORM BEFORE THEY CAN ATTEND A CLUB SESSION**
