Dear Parent and Carers,

Thank you for your ongoing support during this critical time. As we have communicated to you, your child needs to stay at home. This has been based on the use of the criteria the Government have given us to formulate a decision whether your child should be in school or not.

As your child is in receipt of Free School meals we are currently working with Schools Catering to ensure that you receive a food pack in order to support this current situation. You will be receiving a food pack every Thursday delivered to your home address. This delivery will start this week and continue weekly until school reopens. The member of staff from North Lincolnshire Council Transport will knock on your door, leave the food pack on the doorstep and then step back and wait for the parcel to be taken in.

I am aware this is a difficult time for us all. If you have concerns or any further questions please do not hesitate in contacting school, St Hugh's school, Bushfield Road, Scunthorpe, DN16 1NB or sending an email to [admin.sthughs@northlincs.gov.uk](mailto:admin.sthughs@northlincs.gov.uk).

Yours sincerely

Tracy Millard
