24th June 2019

Dear School Community

We are proposing to apply to open a free school with a specific Post 16 focus. This is due to North Lincolnshire Local Authority winning a bid from the Department for Education. The Department for Education (DfE) will provide capital funding (build it) and start-up grant for the new school.

We have chosen to apply to the competition to open the free school to increase the opportunities for students with learning difficulties (LD) at Post 16. A new school would give young people a greater choice regarding Post 16 education relevant to their needs. In addition courses would support individual therapy needs whilst incorporating skills/experiences for employment. English and Maths would be part of the core offer. Staff would be specialist-trained to meet specific needs to each student.

As part of this process we need to consult with yourselves. I would be grateful if you would complete and return the reply slip at the bottom of this letter, and return it to Pa.sthughs@northlincs.gov.uk by 5th July 2019.

Yours sincerely

T.J. Millard

Mrs T Millard
