

St Hugh's School

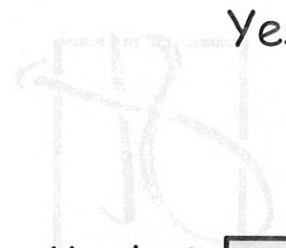

Helping your child with Maths

Parents' Questionnaire

Autumn 2017

Please complete the questionnaire and return to the school office by 30th September 2017 if at all possible. Your feedback will be very much appreciated.

Yes

No

Don't know

Does your child enjoy Maths?

Are you confident with supporting paper based homestudy/interactive Abacus Maths homestudy?

Do you feel that you are informed by the school about your child's progress?

Do you understand the termly progress sheets?

Would you like further information about how to support your child with their mathematical development?

Yes

No

Don't
know

Would you attend a
workshop to learn how to
further support your child
with maths?

If you would like to attend a
workshop, what is the most
convenient time?

Please make any further comments as necessary
below:

Thank you for your time
