Dear Parents / Carers

A big thank you to all the parents/carers that attended Parents Evening on 1 May 2018. I would like any suggestions on how we could further improve attendance at these meetings, as we want as many parent/carers to attend as possible. At Parents Evening this term, parents had access to parent view which was really successful.

I would be grateful if you could comment on your experience of Parent's Evening including positives and identifying anything we could improve.
