Dear Parents/Carers

Friday 14th September 2018

We work closely with The Skills Centre and North Lindsey College to provide enriched learning and opportunities during option groups in key stage 4. As part of their involvement in the learning and development of your child, we would like to share personalised targets from your child's PAP (Personal Achievement Plan) with these providers, so that they can also be involved in helping your child to achieve these targets.

We need your permission to share this information. Please complete the slip below and return this to school

Yours sincerely

Donna Millward
Assistant Headteacher/Key Stage 4 Lead

I give my permission for St Hugh's School to share information with The Skills Centre and/or North Lindsey College about my child's PAP targets.
