P.E Kit Information

Dear Parents/Carers,

Due to the current Covid measures and timetabling at St Hugh's, not all bubbles are participating in P.E, however as the year progresses bubbles may have the opportunity to once again participate in physical education dependent on the current climate.

Upon your son/daughter participating in a P.E lesson, there has been a change of format in order to keep students safe. Students will no longer be changing into P.E kit nor will they shower after lessons. With this in mind, on P.E days please can your son/daughter wear appropriate P.E clothing for the entire school day, therefore students can arrive to school in their P.E kit and leave school in their P.E kit. Students will not take part in activities that will require a change of clothing.

Ideally the St Hugh's P.E kit should be worn, however an appropriate alternative can be worn at this time i.e. Tracksuit top, t-shirt, tracksuit bottoms and trainers. Further information in regards of ordering P.E kit or further P.E kit will be sent out in due course. The school is currently working with the suppliers to help you in ordering clothing.

Yours sincerely

Andy Holt
