Head Teacher: Tracy Millard

Dear Parent/Carer,

I am delighted to announce that St. Hugh's are introducing a brand new P.E kit for all our students. The kit is to be made compulsory for years 7, 8, 9 and 10 by May 2019 for those students who access physical education as part of their curriculum. The kit will be optional for our year 11 students.

The P.E kit itself is made from sports-specific durable material to aid comfort and performance during sport. The St Hugh's T-Shirt and either shorts or bottoms will be compulsory items and there will also be the opportunity to purchase a variety of garments (see overleaf).

All students will have the opportunity to try the garments on prior to your personal order. The P.E kit comes in both children and adult sizes, however it is certainly advisable to get your child the larger size to ensure they get lots of wear from it. All sizes are indicated on the purchase order sheet.

Payments can be made either by cash or cheque and made payable to North Lincolnshire Council. There will be a number of opportunities to purchase P.E kit during the year. The first order for the new P.E Kit is by **Friday 2nd November**. If payments and order forms come in after the deadline date, the order will be processed on the following school order. The second order will be at the end of term by **Friday 14th December** followed by a spring order on **Friday 15th February**.

Secondly due to the number of students in school with asthma and respiratory conditions we also ask that you do not send your child with a spray deodorant for use after P.E. Please ensure they have a roll on or stick deodorant instead.

Finally to minimise the risk of any slips, trips and falls within P.E please can you ensure you send your child in suitable footwear with adequate grip in order to participate safely within the lesson.

Yours Sincerely

Andy Holt
