Rotary Club Interviews

Dear Parents/Carers

As you may be aware, your son/daughter has recently participated in a mock interview with members from the Rotary Club. This interview is designed to give students a 'real life' experience of what it feels like to be in an interview situation.

We are pleased to inform you that students received positive feedback from the interviewers who were impressed with their communication, confidence in an interview situation and ability to overcome individual challenges.

Students grew in confidence throughout the process - well done to all and a huge thank you to the Rotary Club.

Kind regards,
