Head Teacher: Tracy Millard

Dear Parents/Carers,

Years 7, 8, 9, 10 and some students from KS5 will be taking part in the Regional Disport Junior Athletics at the Keepmoat Stadium, Doncaster on Thursday 23rd May 2019 . All students attending will come to school as normal and will travel to the stadium by coach or minibus. Students will arrive back at school and return home on their normal transport.

Students who have a free school lunch will be provided with a packed lunch by school but you may wish to send in an additional snack or drink. If your child usually brings a packed lunch or you pay for school dinners then they will need a packed lunch for the day. Drinks are not provided at the stadium so please send in sufficient drinks to last a full day. Please do not send in fizzy or energy drinks. All students should arrive in school wearing tracksuit/PE kit with appropriate footwear. Students must have suitable clothing for any weather conditions eg. layered clothing, waterproof coat, sunhat etc.

There will be a voluntary contribution of £5.50 for the event; this includes the event fee and a contribution towards transport costs. Please return completed response slips by Monday 13th May 2019.

Yours sincerely,

[Handwritten signature]

Andrew Holt
