Dear Parents / Carers,

Year 9 and 10 students were due to have scheduled teenage booster and meningitis vaccinations on 27th January 2021. However, due to the current national lockdown, these vaccinations are now postponed.

The new date for the year 9 and 10 student vaccinations is 22nd June 2021 with a catch up date of 23rd June 2021.

All parents / carers of year 9 and 10 students will be sent an NHS link / paperwork for consent for these vaccinations nearer the time.

Further information regarding these two vaccines are available from the NHS at - <https://www.nhs.uk/conditions/vaccinations/3-in-1-teenage-booster/>
