Head Teacher: Tracy Millard

As part of our employability work in KS5 we have been working on our kitchen skills and have made some biscuits.
We will be selling these in celebration of Valentine's Day on Friday 14th February for 20p each in Room 1 and 2. All proceeds will go to British Heart Foundation.
Should your child wish to have a biscuit, please send in a donation for them to purchase at break time.

With Compliments
