Rotary Disability Games

Dear Parent/Carer

I have been sent information through about the Rotary Disability games that are due to take place on **Sunday 14th April 2019** at **Hymers College, Hull**. Registration is from 8:30am and events are due to start at 9am.

For those that don't know, the Rotary Disability Games takes place in April of each year with some competition winners going forward to the National Disability Games held in Coventry. Each competitor typically takes part in 3 or 4 of the 10 different events, all of which are open to both adults (16+) and juniors.

There are Individual score events which are Archery, Rifle Shooting, Weightlifting and Swimming and Knockout events which are Darts, Kurling, Snooker, Table Tennis and Boccia. There is also a Wheelchair dash and wheelchair slalom which can be done manually or with assistance.

Each competitor may enter EITHER:

- 1 Knockout and up to 2 scoring events plus wheelchair events OR
- Up to 2 knockout and 1 scoring event plus wheelchair events OR
- Up to 3 scoring events plus wheelchair events

As this is on a Sunday you would be responsible for taking your child and staying with them throughout the duration of the event. If your child would be interested in attending please return the reply slip to me at school and I will send you further information including the entry form.

David Robinson (SSCO)
