29th April 2020

Dear Parents/Carers

I write to thank you for all following the Government social distancing guidance and supporting our school by assisting us with the precautions we have put in place to help keep our students and staff safe.

I wanted to keep you informed with regard to our local understanding of how Covid-19 is developing in our area. We have been informed that North Lincolnshire has not yet reached the anticipated spike of Coronavirus cases and so may differ slightly from the national information that the rate of infection is starting to slow.

With that in mind we have been sent the latest advice from Penny Spring, Director of Public Health at North Lincolnshire Council. I would encourage you to watch the Youtube video on the following link <https://www.youtube.com/watch?v=5OsSwS3S0JQ> to keep informed on advice for our local area.

It is particularly important during this upcoming period, with warmer and longer days, that we all observe social distancing and, where we can, stay at home.

We have also enclosed a really helpful leaflet with national advice for parents about children's symptoms and when to access medical support including A&E.

Yours sincerely

Tracy Millard
Head Teacher
