POST 16 TRANSPORT

Tuesday 23rd June 2020

Dear Parents/Carers

School has been informed regarding the process this year for applying for post 16 transport. A letter will be sent from transport in the near future to all year 11 and year 14 students with an EHCP detailing this process. There will be a form available on the council website shortly. To access this, you will need to go to:

North Lincolnshire Council - Schools, libraries and learning - Schools, colleges and further education - Transport funding for college and sixth form students - Transport assistance for students with special educational needs and disabilities (SEND)

There is a £30 yearly cost (paid online through the website) and transport must be applied for, even if students are attending the same school and using the same transport.

Please be aware that if you do not apply for transport and pay the £30 fee, your son/daughter will not be able to access school transport in September

For further information, contact:
01724 297218
school.transport@northlincs.gov.uk

Yours sincerely

D Millard (KS4 lead/assistant head teacher)
B Coy (assistant head teacher)
