Parent and child sports/activity evening

Dear Parent/Carer

At St Hugh's we frequently promote the idea of living an active and healthy life. As a school we understand that our students are often limited in the things that they can access due to suitability of activity, cost, location, time etc.

We would like to invite you and your child to a sports/activity evening on **Wednesday 8<sup>th</sup> November 5:30pm – 6:30pm**. The idea is that you work with your child at a variety of activity stations and score as many points as possible. You will visit all of the activity stations and record your score for each. Once everyone has attempted all of the activities we will all gather together and do a short presentation ceremony.

As we haven't done anything like this before we are not sure what the level of interest will be. If it is a success we may look at doing one on a half termly basis. For this evening we will be looking at having 10-12 parent/child teams and those that return the reply slip first will be given priority. **A letter will be sent to confirm your place.**

If you have any questions about the event please contact me at school.

David Robinson (SSCO)
