Dear Parents/Carers,

Re: Swimming

Due to a recent diarrhoea & vomiting outbreak in Key Stage 3 we have made the decision to cancel swimming this morning. We have taken advice from NHS which is not to swim for 2 weeks after an episode of illness. I apologise for the lack of notice regarding this cancellation; this advice will be followed in the future.

Just a reminder that the spread of this outbreak can be reduced through the following:

- Wash your hands with soap & water frequently.
- Wash any clothing or bedding that has poo or vomit on it separately on a hot wash.
- Clean toilet seats, flush handles, taps, surfaces & door handles every day.
- Do not share towels, flannels, cutlery or utensils with someone who has an infection.

Please contact a member of the Senior Leadership Team if you require any further clarification or support.

Kind Regards,

*T.J. Millard*
