Head Teacher: Tracy Millard

12 February 2020

Dear Parents/Carers,

I am writing to inform you that we have had confirmed cases of chicken pox in school. Please be vigilant for any signs of your son/daughter being generally unwell with no apparent cause; potential symptoms are sore eyes, runny nose and being generally off it with spots then appearing afterwards.

Please contact your GP for advice if you have any concerns. Students are able to return to school once all spots have dried up and are crusted over.

Thank you

Bridget Coy  
Assistant Headteacher
