Dear Parents/Carers,

I would like to thank you for your continued support during this time. Transmission rates are high in the community and the school are doing everything we can to keep our staff and students as safe as we can.

I would like to ask that as part of our school community you help us by keeping vigilant during this time. If you have the slightest doubt that your child or household member has any symptoms, please follow the attached guidance from Public Health to help you navigate through different scenarios.

If you have any concerns, please air on the side of caution and contact the school either by email admin.sthughs@northlincs.gov.uk or telephone on (01724) 842960 with any queries.

Kind regards

T.J. Millard
