22nd October 2020

Dear Parents/Carers

I am pleased to update you that as of the week commencing 2nd November 2020 when we return after October half term, school will be offering hot school dinners to be purchased for all students.

You should have received an email/text with your login details for SchoolMoney for payments to be set up towards school meals. If you have not received this information please contact admin.sthughs@northlincs.gov.uk

Thank you for your ongoing support throughout the first half of the Autumn Term.

Please can I ask parents and carers to consider the transport Guidance which advises that students, 11 years or older, may, wear a face covering on the dedicated form of transport. Can we ask that parents that want their child to wear a face covering please supply these for their child. We also ask that they are placed in a small plastic bag and stored in their school bag before leaving the bus and entering the school building. They can then wear a face covering again on their journey home. Please ensure if you are using disposable face coverings, that they are replaced after each journey. Please can I ask that parents consider implementing this action.

Please find attached the programme for Short Breaks half term events and their monthly Newsletter.

I wish you all a safe and enjoyable half term.

Kind regards

T.J. Millard
