Dear Parents/Carers

Parents Evening - Tuesday 3rd November

Parents' Evening will be held on **Tuesday 3rd November 4pm - 7.30pm**. It will operate differently to previous evenings due to the impact of Covid 19, as it will take place virtually. You will receive an email with the meeting code on the night at your given time slot, for you to then join the meeting virtually. This will be done through **Google Meet** which is a free app. Please download this app in good time before the meeting takes place so you are then able to type in the emailed code. If this will present a challenge for you, then please immediately contact the school to discuss how we can provide support or offer alternative arrangements. This term, you will have the opportunity to make a **10 minute appointment** with your child's Team-base teacher in order to discuss their work, effort and how they have settled so far this year.

Please email back your preferred time slot from the choice of **4pm-5pm, 5pm-6pm or 6pm-7.30pm** and the email address that you would like the virtual meeting link sending to on the night. Meeting slots will be allocated on a first-come first-served basis.

I would also be very grateful if you could complete and email back the Parent View questionnaire, which asks parents and carers their opinions regarding our school provision during the period of spring and summer 2020 lockdown.

Should you require any further information please do not hesitate to contact school.
