Head Teacher: Tracy Millard

9th March 2021

Dear Parents/Carers

We look forward to welcoming our remaining year 7 and 8 students tomorrow after our successful return of other students.

I would like to thank you for your continued support which has helped things go as smoothly as possible.

Student Home testing kits

Where we have received confirmation from parents that they would like student home testing kits, if the delivery by the government arrives as planned at the end of this week. We hope to send tests home with students on Friday 12th March. We kindly ask that your child's first home test take place on Sunday 14th March, followed with their second test on Wednesday 15th March 2021.

Test kits will be accompanied with guidance booklets. We have enclosed an 'easy read' guidance with this letter to help you to prepare carrying out the test with your child. Please also note the following:

- You should avoid eating or drinking at least 30 minutes before taking the test.
- Anyone who has previously received a positive COVID-19 PCR test result should not be re-tested within 90 days of that test, unless they develop any new symptoms of COVID-19.
- All test results (negative or positive) should be reported to the [www.gov.uk/report-covid19-result or telephone 119](https://www.gov.uk/report-covid19-result-or-telephone-119).

If your child receives a positive test result, as well as reporting it to the above. Parents must also inform school before 4.30pm on a Sunday and before 8.30pm on a Wednesday.

As always, if you have any questions or concerns please do not hesitate in contacting us admin.sthughs@northlincs.gov.uk

Kind regards

Jonathan Kenyon
