Dear Parents/Carers,

I am writing to invite you to a presentation about supported housing opportunities within the local community for young adults with learning difficulties. This is designed to improve your awareness about what might be available for your child when they reach adulthood. The presentation will be delivered by professionals who work within adult social care and the housing sector from North Lincolnshire Council.

The presentation will take place at St Hugh's on Wednesday 12 February from 1.45 – 2.45pm. Refreshments will be available. If you wish to attend, please return the reply slip below by Monday 10 February

Attendance at this presentation does not commit you to any decisions in the future; it is an information sharing session only.

Yours sincerely,

PP
