Dear Parents/Carers

I hope that you all had a relaxing and safe half term.

We are enthused and optimistic that the Prime Minister may be announcing that we are able to open the school to our wider cohort from the 8<sup>th</sup> March 2021.

We hope that we are able to provide you with further information by the end of this week.

In the meantime, I would like to remind you that if you did not complete the online consent form to accompany your child for a lateral flow test and you would like them to have a test on their return to school please complete the below link before Wednesday 24<sup>th</sup> February 2021.

On a last note, I would like to update you with the positive news, that our school staff have been prioritised as being able to have their COVID 19 vaccinations. Our staff have been identified due to working with students who have different vulnerabilities including severe Learning Difficulties, health conditions and personal care needs.

The majority of our staff have already had their first vaccinations within the last few weeks and have the second vaccination scheduled in.

Kind regards

Jonathan Kenyon  
Deputy Head Teacher
