Head Teacher: Tracy Millard

17th January 2020

Dear Parents/Carers,

I am writing to offer some additional support for parents and carers during the transition process from school into adulthood. I will be working with you all on an individual basis over the next 6months for those with students in Yr 14 and 18months for those with students in Yr 13. As part of this work I would like to give parents and carers the opportunity to establish contact with each other in order that student friendships developed within school can continue into adulthood. If you are happy for your contact details to be shared with other parents and carers please indicate below and give a preferred contact number. If you would rather not share this information please also indicate below.

Please contact me at school if you require any additional support at this time.

Best Wishes

B Coy

Bridget Coy
Assistant Headteacher
