Dear Parents/Carers

As many as you are aware, we often provide snacks and merit rewards as part of our Social and Life Skills development programme.

We subsidise these activities from the school funding, this is to support Social and Life Skills in class, that are an extension of our educational programmes.

Consequently, we would appreciate a contribution of £1 per week to enable the students to support personal learning skills.

In anticipation of your co-operation there is a payment set up on School Money that you can pay weekly or termly online. You can also send the money into school in a named envelope with your child's name on and labelled as Social Fund contribution.

If you already send in a contribution, we would like to take this opportunity to thank you for your continual support.

Many Thanks

T Millard
