Dear Parent/Carer,

We are currently looking at how we can further develop our Short Breaks Service and have been working closely with St. Hughs around this.

We would like to obtain some feedback as to what it is that parents/carers would like to see in the way of Short Break provision and specifically those that currently attend St. Hughs. It would be very much appreciated if you could complete the enclosed questionnaire and return to the school so that our services are informed by you as parent/carers and we can look to develop our service.

Yours faithfully,

Clare Lawcock,
Senior Officer, Short Breaks Service
