HARVEST FESTIVAL

Dear Parents/Carers

On Friday 16th October we will celebrate our first virtual harvest festival and once again we are collecting items for Scunthorpe Foodbank who help local families in crisis throughout the year. Teams will come together by video link to share their donations and we will be joined on the video call by a representative of the Foodbank to explain the work of the charity to our students. We have been supporting the charity for 8 years and they are extremely grateful for our contributions. Items can be brought into school any time by your child, preferably in a carrier bag, and **no later than Tuesday 13th October.**

If you could help in any way by sending in an item from the following list, it would be very much appreciated. Please ensure that any food items have the required three month shelf life.

- Tinned soup, meat, fish, fruit or vegetables
- Tinned beans, tomatoes or spaghetti
- Dried or packet rice or pasta
- Pasta sauces
- Teabags, coffee or sugar
- Long life milk

Thank you in anticipation of your continued generosity
