16<sup>th</sup> March 2021

Dear Parents/Carers

### Census

Please see the attached information leaflet explaining what the 'Census' is and why you need to complete it.

### Home testing

Home testing twice a week appears to be working well for our students and I would like to thank you for the large uptake.

I would just like to clarify that the home testing kits are for students who do not have any COVID 19 symptoms to ensure that they are not A-symptomatic.

If your child or household member have any symptoms, then they must arrange to have a PCR test from your local test centre. The PCR tests are more accurate in confirming a case of COVID 19 when somebody is symptomatic.

As always, if you have any concerns or questions please do not hesitate in contacting us  
[admin.sthughs@northlincs.gov.uk](mailto:admin.sthughs@northlincs.gov.uk)

Kind regards

Jonathan Kenyon  
Deputy Head Teacher
