Head Teacher: Tracy Millard

REF:JD/TM

23rd March 2016

Dear Parents/Carers

As a School we are constantly teaching our students skills to keep themselves safe. Issues around student's use of Facebook accounts which happen outside of school are being brought to our attention by parents/carers. Please remember that an account even if it has photographs of the person/accounts name, it may not be that person who has set it up and has access to it. As Headteacher I will refer all issues linked to Facebook to the police to investigate. As parents/carers can we draw your attention to some of the rules linked to registration and creating accounts from the list below.

Facebook

Registration and Account Security

- 1. You will not provide any false personal information on Facebook, or create an account for anyone other than yourself without permission.**
2. You will not create more than one personal account.
3. If we disable your account, you will not create another one without our permission.
4. You will not use your personal timeline for your own commercial gain (such as selling your status update to an advertiser).
- 5. You will not use Facebook if you are under 13.**
6. You will not use Facebook if you are a convicted sex offender.
7. You will keep your contact information accurate and up-to-date.
- 8. You will not share your password (or in the case of developers, your secret key), let anyone else access your account, or do anything else that might jeopardize the security of your account.**
9. You will not transfer your account (including any Page or application you administer) to anyone without first getting our written permission.
10. If you select a username or similar identifier for your account or Page, we reserve the right to remove or reclaim it if we believe it is appropriate (such as when a trademark owner complains about a username that does not closely relate to a user's actual name).

Head Teacher: Tracy Millard

Students under the age of 13 should not be allowed accounts. If it comes to our attention that students under this acceptable age have accounts, we will also refer this matter to the police as part of our safeguarding procedures in school.

As parents/carers, we hope that we can rely upon your cooperation in this matter to continue to ensure the safety of our young people using the internet. Online safety is so important. Thank you for supporting online safety.

Kind Regards,

Mrs T Millard
Headteacher
