

St Hugh's School

Vision & Mission Statement

11th July 2016

FINAL APPROVED

Black & White Version

Learn · Believe · Achieve · Together

At St Hugh's School, every day we strive to:

Learn

- discover new knowledge and understanding in every subject and lesson across the curriculum
- develop accurate basic skills for life-long learning
- work for success independently as well as within teams

Believe

- make the most of our own abilities by demonstrating a “can-do” approach to learning and life
- value honesty, hard work, diversity and equality
- respect others and act responsibly within society

Achieve

- make progress towards challenging targets and outcomes
- experience new opportunities and reach new destinations
- review progress regularly, aiming confidently for success

Together

- meet everyone's individual needs and expectations
- work in a safe environment surrounded and supported by the best opportunities for learning, training and development
- sustain strong partnerships (with and between parents/carers, families, students, staff and governors) for the benefit of the whole community
