

Year 7 Catch-up Grant Summary

The year 7 literacy and numeracy catch up premium grant includes all year 7 pupils who did not achieve at least a level 4 in reading and/or mathematics at key stage 2 based on end of key stage 2 attainment.

The grant at St Hugh's is spent for the purposes of the school for the educational benefit of students:-

This includes:

- Individual tuition in addition to classroom teaching in the form of small group tuition
- Access to a broader range of supporting software for Maths and English in order to develop learning further through access of computer based learning
- Access to a range of therapy support to ensure student wellbeing is stabilised in order to fully access learning
- Access to specific communication package

Impact of programmes is now measured with an updated target setting rational adopted by our school. This supports setting aspirational targets.
