January 30th 2015

Dear Parents / Carers

Friends of St Hugh's (FOSH) is a well-established registered charity that is run to raise funds to contribute towards enhancing the experiences of the young people in the school. A few weeks ago I took over the role of Chairperson of FOSH and I am now very proud to be able to "steer the team" who work hard to run the charity and hopefully look at new ideas and great ways to open this up to parents and more friends of the school.

For those of you who do not know me, I am John Cavill and I work professionally as a gardener and designer, but I also teach St Hugh's students gardening on a Wednesday and the BTEC Land Based studies on a Friday each week. I have been working at the school for nearly two years and love every minute of it teaching students right across the board from lots of different team bases.

A part of FOSH I would like to consider changing is the FOSH logo. Therefore, I would like to start a competition and ask all of you to help us design a new one. I will sponsor the competition and have offered a first prize for the design that we think best represents what FOSH stands for. The new logo will then be utilised in all future correspondences.

This competition is open to students and their carers/ families and can be drawn by hand or designed on a computer and stuck on the sheet attached. The new logo has to show the letters FOSH but it's over to you to show us your inspiration.

Also, as Chairperson I have introduced some new features and the first of these is a FOSH Facebook page. This can be found at www.facebook.com/FriendsofStHugh or you can simply search for friends of St Hugh's in Facebook and you will find our page. In just two days we have gained a large 53 likes and have reached 1433 people with the posters I have uploaded. So please would you find us on Facebook and "Like" our page so we can keep you up to date with all that we are doing.

Finally, we would also like to feature photos of students on the FOSH Facebook page, but before we do, we need your permission to do so, as the Facebook page will be in the public domain where everyone can see it. Please complete the form below and return it to the school (as soon as possible), so we can ensure the safeguarding of all of our students.

Yours Sincerely,
John Cavill

Chairperson.

Name of student Teambase

Please tick one of the statements below:

- I agree to my child's photo appearing on FOSH Facebook page
- I do not want my child's photo to appear on FOSH Facebook page

Signed Parent / carer Date
