

## **The Charge of the Light Brigade**

Hear the horses galloping  
See the soldiers in the army  
Smell the muddy grass  
Charge! Charge! Charge!

Feel the cannons rumbling  
See bloody water  
Charge! Charge! Charge!

See the scared and bloody soldiers  
Taste the smoke and gunpowder  
Hear the cannons crashing  
Bang! Bang! Bang!

Smell the horse and human poo  
Hear horses hooves clip clop  
Die! Die! Die! Die! Die!
